Gauss Math

Our modern society is increasingly dependent on science and technology. It is critical that students receive a good education that emphasizes both mathematical and scientific literacy. Here at Gauss, we are committed to fostering a passion for math and science in students from an early age. Our primary goal is to nurture students' love for STEM which is of critical importance for their future.

CURRICULUM SYSTEM

Math	Math	Math	Science
Series 100	Series 200	Series 300	Physics and
Incubator	Intensive	Problem	Chemistry
Program for	Training	Solving	AP and
Outstanding	Classes for	Enrichment	Olympiad
Math Talents	AMC 8/10/12	Guided Study	
Grade 3 & Up	AIME/AMO	Grade 1-12	
Gauss Math Team	MathCounts		

ACHIEVEMENT

- Gauss students go to elite universities / college, including Harvard, MIT, Princeton, Yale, Columbia, UPenn, etc.
- Dozens USJMOs and USAMOs
- Majority members of NJ MathCount Team
- More than 100 AIME Qualifiers
- Physics Olympiad Medalists and Chemistry Olympiad Honor
